

## 2022 Candidate Survey on the Environment

Amy Morrin Bello Democrat  
House , 28

### OPEN QUESTION

As a member of the Transportation Committee I worked to pass SB 4 the CT Clean Air Act. I have three young adult daughters and one of their biggest concerns is the environment and they all think we need to do more and I agree. My asthma has worsened as I've aged and I realize how important it is to have clean air. We need to continue to look for ways to improve air quality and lessen our impact, not just in CT but across the world.
