

Charitable Contributions Through Appreciated Securities

Please consider a gift of appreciated securities to the CT League of Conservation Voters! Your generous support will help us in our efforts to address the multitude of issues facing our environment. Please use the following information when making a **stock transfer** and be sure to notify our Development Director, Connor Yakaitis, upon initiating the transfer. **It is important that you clearly designate which account you want the funds applied to as the benefits differ for each.** *If you contribute stock to our 501(c)(3), you avoid the capital gains tax and you are eligible for a charitable tax deduction. If you contribute to our 501(c)(4), you avoid the capital gains tax but the gift is nondeductible.*
