

2018 Candidate Survey on the Environment

Gregg Haddad (Democrat)

House District 54

1) 100% Clean Energy by 2050:

Do you support transitioning to 100% clean energy by 2050 or sooner?

Yes

I favor sooner

2) State Water Plan:

Will you support the plan as submitted to the legislature and affirm that water is a public trust?

Yes

It is critical that we adopt a strong responsible water plan for the state.

3) Municipal Funding Pilot for Open Space:

Would you support legislation that would allow, but not require, certain municipalities to establish a dedicated fund to protect local open space, farmland and water resources through a limited conveyance fee on buyers of real estate?

Yes

We must allow towns to diversify their revenue sources

4) Plastic Bag Pollution:

Would you support a statewide ban on single-use plastic bags (or a ban/fee hybrid) to significantly reduce plastic bag pollution in our state?

Yes

plastic bags end up everywhere! and they are not easily recycled. multiple use bags are the best option

5) Gas Pipeline:

Will you support the repeal of the pipeline tax established in 2015?

Yes

I voted against the original legislation in 2015 and would oppose it again

6) Carbon Pricing:

Would you support carbon pricing for Connecticut?

Yes

we should support sustainable clean energy, not fossil fuel markets
