

2024 Candidate Survey on the Environment

Sheila Quinn, Democrat
House District 141

1) Open Question:

Recycling, keeping the recycling center open in my town, Darien. We have a very robust center. I want to work on transportation, keeping our beaches healthy, which requires a lot of environmental awareness.

2) Climate:

Will you support paying for increased investments in clean energy and our electric grid infrastructure to ensure a healthy environment that will reduce reliance on fossil fuel and nuclear energy (and ultimately reduce costs to ratepayers)?

- Yes

It's real it's happening and we can do something about it! Vote out the republicans who deny it. Keep policies that address the climate crisis.

3) Nature-Based Solutions:

Will you support a stand-alone bill that authorizes and prioritizes the use of nature-based solutions (forests, trees, wetlands, riparian buffers, healthy organic soils, and other natural ecosystems) as the preferred alternative, where appropriate, across all agencies?

- Yes

4) Clean Cars and Trucks Emissions Standards:

Do you support Connecticut's adoption of the latest California emissions standards for cars and trucks?

- Yes

Let's clean up our act especially with trucks on our highways.

5) Environmental Rights Amendment:

Will you support an Environmental Rights Amendment to our State Constitution?

- Unsure

6) Food Waste Diversion:

Will you support designating food scraps as a "recyclable" item and requiring large-scale food generators to create plans to donate edible food?

- Yes

7) Neonicotinoids:

Will you help push for legislation to ban the sale and use of neonics for non-agricultural use in Connecticut?

- Yes

8) Rodenticides:

Will you support banning the use of certain rodenticides, with a few well-defined exceptions, to help prevent the deaths of its unintended victims?

- Yes

9) Environmental Justice:

Will you support a legislative fix to Connecticut's Environmental Justice statutes to include all polluting facilities?

- Yes

10) Bears:

Will you support legislation that requires humane responses to conflicts with wildlife such as providing better support for the public seeking help, removing attractants, minimizing shooting incidents, and strengthening programs to deal with orphaned wildlife?

- Yes

11) Tree Cutting Protocols:

Will you support legislation to require stronger science-based tree cutting protocols based on conservation values?

- Yes

12) Ranked Choice Voting:

Should Connecticut pursue Ranked Choice Voting?

- Yes

Younger voting really like it and they will take over soon enough, important to really look into Ranked Choice Voting.

CANDIDATE COMMITMENT TO WORK ON ENVIRONMENTAL LEGISLATION

If you support any or all of our top priority legislation during the 2025 session, will you add your name as a legislative co-sponsor?

- Unsure

Will you plan to attend our annual Environmental Summit in January?

- Unsure

If requested, will you meet with CTLCV at least once during the legislative session to review priority legislation?

- Unsure
