

2022 Candidate Survey on the Environment

Andrew Rasmussen-Tuller Democrat
House , 77

OPEN QUESTION

I am passionate about expanding affordable access to renewable energy sources such as solar for home owners. Programs that exist to assist financially need to be expanded upon. The environment matters to me because we need to maintain its sustainability. Once we destroy it, there's no going back.

1) ENVIRONMENTAL JUSTICE:

- Yes

2) WASTE MANAGEMENT:

- Yes
